Dear Ms. Muschett,  
On behalf of The Department of Children and Families, Bureau of Adoption and Interstate Compact Services, I would like to thank you for your kindness this holiday season in your generous gift to DCF's Connecticut Children's Place.

I recently heard from CCP staff that our youth had a great time at Nomad's! Michele Stumbress from the CCP Recreation Department related they are looking forward to developing an ongoing relationship with you and the employees at HABCO with the youth at CCP. That is truly exciting to hear because our youth will greatly benefit from this experience!

DCF is fortunate to have community partners like you who give so generously to Connecticut's children. Again, our heartfelt thanks to you and your staff and best wishes to all for a safe and happy holiday season.

Sincerely,

Karen Miskunas, Program Supervisor
